

TEXAS HEALTHCARE TRUSTEES

PUBLICATIONS ORDER FORM

Texas Healthcare Trustees Guidebook for Hospital and Health System Governance 7th Edition

This manual is designed to assist hospital and health system trustees in effectively carrying out their responsibilities as governing board members. The manual includes sections on hospital management and administration, the medical staff, regulatory entities, finances, quality management, strategic planning, the role of the hospital in the community, health care networks and health care acronyms and definitions. The manual is designed so that information from individual hospitals and health systems can be added.
